City To City Congregational Survey

We have been partnering with City to City for over a year, and they have been walking us through a renewal process. Many of you filled out the congregational survey last year, and we are asking that you take the time to do another survey so we can once again gather information as a gauge to see how far we have come. This information is very helpful to leverage the work that is already being done.

Survey's have been emailed out and we encourage you to take 10 minutes of your time to fill it out. If you did not receive the email you can scan the QR code to access the survey or contact the church office for a printed copy.
